UNIQUE ART DESIGN CARVED IN ICE AND SNOW

Not far from the Arctic Circle, right in the heart of Swedish Lapland, the unique IGLOOTEL opens its doors promptly at the start of the winter season. Surrounded by untouched nature and the amazing landscape of dozens of frozen lakes and endless forests, IGLOOTEL is an incomparable event location totally made from ice and snow. The breathtaking hotel complex combines several IGLOOs covering a total area of approximately 900 m² including e.g. an Ice-Bar, 10 individually designed Sleeping-IGLOOs and an Aurora Spa Area, which offers Hot Tubs and an Outdoor Sauna. The interplay of modern LED-light illumination and snow art creates an extraordinary atmosphere. Be our guest and visit us for the one and only snow adventure in the arctic ice.

A stay at IGLOOTEL offers many different options. Whether you are travelling on your own, as a couple, in a group or together with colleagues, a stay in IGLOOTEL is an unforgettable experience for any target group. Spend the night in one of the artistically designed Sleeping-IGLOOs, have a drink in an ice glass and enjoy a hot meal served in one of the Event-IGLOOs. Outside, in the Aurora Spa Area, you can relax in our wood-fired Outdoor Sauna or in the bubbly water of the Hot Tubs. Enjoy the special setting under the open polar sky and always be on a lookout for the magical Northern Lights! When spending the night in IGLOOTEL, you have the choice of staying in a Standard-IGLOO or in a Romantic-IGLOO. All IGLOOs have their own individual, unique design and only differ in the number of people they accommodate. Whereas Standard-IGLOOs are a good solution for families with children or smaller groups (max. 4-6 people per Sleeping-IGLOO), the accommodation in a Romantic-IGLOO fits perfectly for couples and guests, who would like to enjoy some private space (max. 2 people per Sleeping-IGLOO).

SpeedCar-On-Ice

Dog Sled Tour

Trips with dog-pulled sleds have a long tradition all over Scandinavia. There is hardly any better way to move through Lapland's wintery wilderness. Take your seat on a dog sled, that is driven by a professional musher (dog sled handler) and glide soundlessly through the peaceful nature.

Moose Safari

Have a close up encounter with the Swedish national symbol and the king of the forest. Local guides will bring you on a sled, pulled by a snowmobile, to the feeding grounds of the majestic animal. A fascinating excursion into the arctic wilderness!
